

SHIPPING POLICY

All our products marked as in-stock are shipped from our warehouses in Toronto, Ontario, Canada or Buffalo, New York, USA. Orders placed before 11 AM EST usually ship the same day. We have extensive experience shipping large items across Canada and the USA. Most orders are delivered in 3-5 business days.

We offer shipping in three ways.

Option 1 (Free): We can ship the item to a trucking terminal close to your residential address. You just present your ID and they will place the item in your vehicle free of charge.

Option 2 (Free): We can ship the item to any commercial property as long as it complies with both the following criteria.

A. The commercial property is not located at a residence.

B. The commercial property has lifting equipment or a dock to offload the skid. The House of Contractors Inc. does not pay hydraulic liftgate charges.

Option 3 (\$200): We can have the item shipped to your residence. The carrier NOT House of Contractors Inc. charges an additional \$100.00 for residential shipping and additional \$100.00 for Hydraulic liftgate usage.

If you have any questions or concerns about shipping, please contact us.
